PROMPT

Upload a PDF file of your research plan for two peers to review.

Before submitting, check that you can answer "yes" to the following questions related to your submission. Did you:

- 1. Introduce your project by providing a project background?
- 2. Define your research goals?
- 3. Identify research questions that contain specific tasks being tested?
- 4. Define KPIs detailing the elements that should be measured with goals that the results can be compared against?
- 5. Explain the methodology used to conduct the study?
- 6. Develop a participant recruitment plan
- 7. Create a sample session script?
