PROMPT

Before submitting, check that you can answer yes to the following questions related to your submission:

Convert your case study document to a PDF and submit it.

1. Does your case study include an overview of the project?
2. Does your case study describe what you did to understand the users?
3. Does your case study include your initial designs with explanations of design choices?
4. Does your case study share information about usability studies and findings?
5. Does your case study include mockups with explanations of design choices?
6. Does your case study share accessibility considerations?
7. Does your case study include mockups of 3 screen size variations
