### Awareness about mental health

Submitted on July 4, 2023

#### PROMPT

Upload a PDF file of your big picture storyboard.

Before submitting check that you can answer yes to the following questions related to your submission:

- Are all parts of your storyboard templates filled out? (For example, is there a Scenario statement?)
- Are your big picture storyboard sketches clearly focused on the user?
- Do your big picture storyboard sketches clearly indicate the environment or context where the user is located?
- Do your big picture storyboard sketches clearly focus on the specific need or pain point experienced by the user?

#### Awareness about mental health

#### PROMPT

Upload a PDF file of your close-up storyboard.

Before submitting check that you can answer yes to the following questions related to your submission:

- Are your close-up storyboard sketches clearly focused on the product, instead of on the user experiencing that product?
- Do your close-up storyboard sketches clearly indicate the interaction that a user may have with the product; for example, depicting sample screens?
- Do your close-up storyboard sketches indicate any transitions between screens or states that the user may need to perform?
