PROMPT

Submit a PDF file of your updated presentation that communicates your research findings and how you'll move forward with your design.

Before submitting check that you can answer the following questions related to your submission:

1. Does your updated presentation contain screenshots of the designs before and after new changes were made based on research insights?

2. Did you update the date on the title slide?

3. Did you include a brief review of previous presentation information?

4. Did you make recommendations on what additional research might be helpful?

5. Did you include next steps?

6. Did you include an acknowledgement and thank you message?
