# Activity Exemplar: Refine your high-fidelity portfolio project designs

⭐ **Exemplar**

Here is a completed exemplar along with an explanation of how the exemplar fulfills the expectations for the previous activity.

🔍 **Assessment of exemplar**

Priority insights were identified from the usability study and the mockups were updated based on these insights. These updates include streamlining the checkout process and making the "Build your own pizza" feature clearer and easier to use. An updated prototype was then connected to reflect all of the changes.

Now compare the exemplar above to your completed deliverable.

What did you do well? Where can you improve? Take this feedback with you as you continue to progress through the course.
